27 March 2018

Dear [REDACTED]

COMMUNITY COUNCIL FINANCES

After the Community Council's meeting on 22 March you asked me for financial information about the Community Council over the last 4 years.

As you know, the current Community Council was formed following a petition and election in late 2016. It took some time to establish a bank account and we received no funds from the City of Edinburgh Council until well into 2017. As a result in 2016-17 (ending at our AGM in May) we did not approve accounts; this has been agreed with the City Council.

We are not responsible for the previous community councils, the last of which was disbanded after its adjourned meeting on 22 November 2015. The only accounts for the community council of the time are in the Annual Report and Accounts at www.northfieldandwillowbrae.org.uk in the Meeting record for 28 May 2015. I do not know where you might obtain accounts for the community councils before that date.

I hope this is of assistance.

Yours sincerely

Nick Weech
Treasurer
